

Be a Youthunited Ambassador!

Here's How:

1.

Get your principal and/or a teacher on board

Make sure you tell them about the Student Spirit Award – the top philanthropy award in Toronto that your school can be nominated for!

Youthunited Ambassador activities qualify for community service hours!

Don't forget about the captain of the basketball team who'd make a great CN Tower Climb Team Leader!

Or that guy in art class who draws those really cool posters?

2.

Ask the most passionate people you know to be on your *Youthunited* team

BFFs always say yes!

3.

Get your team together to plan your event(s)

Why not capitalize on an event that is already happening? Like donating a dollar from the price of dance tickets or the basketball game tickets to Youthunited?

Go to www.youthunited.ca for ideas

4.

Hold your event(s)

Don't forget to ask for volunteers if you need them!

Teamwork is essential!

5.

Call United Way Toronto to pick up the money you raise

Don't forget to ask if your school qualifies for a Spirit Award nomination!

Call: 416-777-2001 and ask for the Sponsored Employee of Youthunited Campaigns!
